

Goals for the Sessions

These sessions will give Mite, Squirt and PeeWee players an opportunity to keep skating throughout the Spring/Summer and to have fun playing hockey with players from neighboring programs.

Each session (separate for each age group) will offer ten minutes of warm-up/skill development, then we'll choose up sides and drop the puck!

Players should bring both dark and white jerseys, as we'll strive to make balanced teams/lines each week.

We will accept 3 goalies for each Session. Mite goalies should be willing to skate out as well as play net!

All Sessions are located at the Ice Center in Waterbury.

Mite + Squirt + PeeWee Level Pick Up Hockey

Now in its 4th Year!

These separate sessions for mites, squirts and PeeWees are designed for fun and continued skill development while enjoying other Spring-Summer Sports and Activities. The non-competitive format brings players from the Central Vermont Region together to enjoy the game on the same teams.

We will use one parent/coach per bench as well as an adult on the ice at all times. Scrimmage shifts will be 90 seconds, managed with a whistle and a full squad line change.

Area coaches are encouraged to participate!

Central VT Mite+Squirt+PeeWee Spring/Summer Schedules
